BAD WOLF

What the fuck!

RED FOX

Holy shit! You shouldn't be
here!

BIG BIRD

HI Y'ALL. BIG BIRD HERE!

BIG BIRD gestures in a waving fashion using his right hand and
is carrying a piece of metal

BAD WOLF

BIG BIRD you are not supposed to be
here! BAD WOLF to command. BAD WOLF
to command. Stall the launch
command.

NASA ENGINEER

Roger

SHIP

The launch has been stopped

RED FOX

Awww how sweet! My kids love
watching Sesame Street every
Saturday morning! But you really
shouldn't be here

BIG BIRD

BIG BIRD loves spending time with
his friends!

BAD WOLF

I've heard rumors of The Yellow
Menace. I thought it was a myth.

BAD WOLF (CONT'D)
Hey what's that in your hand?

BIG BIRD
Oh BIG BIRD couldn't get through
the door so I cut off a piece of
the door frame!

RED FOX
RED FOX to command. RED FOX to
command.

The crew only hears static

RED FOX (CONT'D)
Come on KEVIN. Please respond
buddy.

BAD WOLF
(panicked)
Hey man you really need to get out
of here now!

NASA ENGINEER (V.O.)
(statically)
-melia Ear-

RED FOX
KEVIN? Did you say something? What
did you say KEVIN? Come in KEVIN!

BIG BIRD
AMELIA EARHART! BIG BIRD knows her!
She's BIG BIRD friend! I haven't
seen her in a bit! Yeah I put some
sugar in her engine to help sweeten
her ride. I didn't like the smell
of the gasoline, so I thought this
might help. BIG BIRD hopes that
she's doing okay!

RED FOX
I'm so stressed out right now!

BIG BIRD
BIG BIRD is concerned about how you
two are feeling. BIG BIRD wants to
make sure you two are happy

BAD WOLF
I'm terrified. I want off this
shuttle. I'm like a trapped animal
right now

RED FOX

I just want to see my children
again

BIG BIRD

Don't worry. BIG BIRD will be there
for your children. Always

NASA ENGINEER (V.O.)

(statically)

-indenburg-

BAD WOLF

indenburg. You don't mean-

BIG BIRD

The Hindenburg! Oh yeah! BIG BIRD
remembers that! BIG BIRD was just
spending a bunch of time in the air
with his friends! There was a
safety concern and I made sure
everyone was safe. They were all
strapped into their seats! BIG BIRD
hasn't seen them in a while!

BAD WOLF and RED FOX start fumbling with their seats

BAD WOLF

I'm trapped! I'm trapped! RED FOX
he locked us into our seats!

RED FOX

All I can think about is my family.
I miss them so much. Where did I go
wrong in life? That's all I want to
know. That and if my family is okay

BIG BIRD

BIG BIRD doesn't like sad feelings
and just wants to see his friends
smile!

NASA ENGINEER (V.O.)

(statically)

Blitz!

BIG BIRD

Oh yeah! BIG BIRD helped a bunch of
his friends that look like me! They
said they needed help looking for
their friend Anne. I

thought she might be in London, so
BIG BIRD thought it might be best
if they looked into all of the
buildings from above by taking off
the roofs, but they wanted to go
door to door looking for her. Turns
out BIG BIRD found her in
Amsterdam, and told his friends!
That was the best game of hide and
seek ever! BIG BIRD heard she's an
author now!

RED FOX
Oh my god. You are a monster.

BAD WOLF
I don't know what to say. I finally
ran out of words to say

BIG BIRD starts ripping out the wires

BIG BIRD
Today's color is Blue. As in BIG
BIRD's eyes and as in these blue
wires shouldn't be touching the red
wires. So I made sure that all the
blue wires touch each other
instead!

BAD WOLF
Those are for our oxygen module! We
need them so we can breathe in our
shuttle while we are in space!

RED FOX
I'm sorry BAD WOLF. I don't have
the strength to fight anymore. I
have accepted my fate

NASA ENGINEER (V.O.)
(statically)
Death has come for you-

BAD WOLF
I can still fight. I can still get
us out of here!

BIG BIRD
BIG BIRD wishes people would stop
calling him that! I prefer the name
BIG BIRD! Death is bad

BAD WOLF
You son of a bitch! YOU SON OF A
BITCH!

BAD WOLF punches BIG BIRD in the face

BIG BIRD
Hey now that hurt BIG BIRD's
feelings! BIG BIRD doesn't like
that! You hurt BIG BIRD's perfectly
blonde feathers

BIG BIRD starts messing with the buttons

SHIP (V.O.)
Countdown has been initiated

NASA ENGINEER (V.O.)
The countdown has been started. I'm
so sorry BAD WOLF and RED FOX

BIG BIRD is going to fly again!

SHIP (V.O.)
Liftoff

Black out

A light appears on a puppet like RONALD REAGAN eating a chicken leg

RONALD REAGAN
They wouldn't have called it the
Challenger if it wasn't
challenging. We mourn heroes,
pioneers who honored us by living
their lives. (Burps) Excuse me.
Sorry folks. We'll continue our
quest in space. This shuttle launch
is brought to you by the letter C
for Casualties

BIG BIRD appears behind Ronald Reagan as if he is BIG BIRD's puppet
